
Canadian Cooperative Contractor Network

Thank you for your interest in becoming part of **the Canadian Cooperative Contractor Network (CCCN)** administered by Tremco. We are excited to announce that Weatherproofing Technologies Canada (WTC) has been awarded the **Kinetic GPO contract for Roofing Supplies and Services, Waterproofing and Related Products and Services, RFSO #24-06**, effective October 01, 2024.

The **Canadian Cooperative Contractor Network**, provides contractors a unique and compliant method to deliver services directly to public agencies through our competitively procured and awarded contract.

Your company will need to complete an application for consideration and approval prior to performing any work under Tremco's/WTC's contract. To get started on the application process follow this [LINK](#).

Upon submitting the primary form, you will immediately receive an email from nccnadministrator@tremcoinc.com with instructions for completing the application. If for some reason you do not receive an email, please check your spam. Please email the fully completed application and any required documents to: nccnadministrator@tremcoinc.com.

Once your application has been reviewed, and provided your company meets or exceeds the criteria of the program, your company will be part of the CCCN. If accepted, you will receive a letter from Tremco along with additional information on the program.

If you have any questions, please contact your local Tremco representative or Tommy Dunnam at nccnadministrator@tremcoinc.com.

Tremco/WTC is excited about working with quality contractors such as yourself to perform services under this new contract to provide Canadian public agencies with the best roofing and envelope solutions!

Regards,

Tommy Dunnam
Cooperative Program Manager
